

September 22, 2016

Press Office  
Governor Pat McCrory  
Raleigh, NC

We request access to all of the reasonably segregable, non-exempt portions of communications between the Governor and Colonial Pipeline Company of Alpharetta, Georgia for the period of September 9, 2016 through September 21, 2016. This request includes all communications between representatives of the Governor's office, Colonial Pipeline Company President/CEO Tim Felt and any of Colonial Pipeline's subsidiaries or representatives between September 9, 2016 and September 21, 2016.

If there are any fees for providing access to these records, please inform us of those expenses before they are incurred. However, we request a waiver of all fees in that disclosure of the requested information is in the public interest. This request is part of a newsgathering process and not for commercial purposes.

We request a response time of seven business days. If a response will take longer, please advise when we might expect access to these records.

If you deny any, or all, of this request, please cite each specific exemption you feel justifies refusal to release the information and notify us of the appeal procedures available to us under NC Law.

Since we are advised that there is no specific office or custodian to whom we can make our public records request, we ask for acknowledgement of receipt of this letter. With the acknowledgement, we request the name, title, phone number, email address of the person who is assigned to respond to our request.

Please contact: Eric Olsen, Assistant News Director, FOX 8, 336-821-1160, [ [HYPERLINK "mailto:eric.olsen@wgxp.com"](mailto:eric.olsen@wgxp.com) ] if there are question regarding this request.

Sincerely,

Eric Olsen
